

## Mami and Her New Friends (Fan Fiction)

Hitomi: There you are, Mami senpai! I notice you're walking alone during lunch. Is it okay if I join you?

Mami:...

Hitomi: I hope you don't mind me. Oh, and if I see my other friends you can join us also... Oh, is it okay if I consider you...my friend?

Mami:...Yes, you may. You probably feel sorry for me because I'm out here all alone. I don't think you would believe me if I told you the reason I'm exploring this side of the campus. I know upperclassmen don't walk on this side too often.

Hitomi: Well, I guess I am a little curious about why you're walking around with that jewel in your hand and looking at it like a compass. Hoping to find some sort of treasure? I'm just kidding by the way.

Mami: Treasure...I guess rather I'm looking for something that I hope not to find. But anyway, how is your day going along, Hitomi-chan?

Hitomi: \* **Giggle** \* It feels funny being referred to with a term of endearment from you. You're not that older than me. I don't mind, though. You are my senpai after all.

Sayaka: Hey there!

Madoka: Oh, it's Hitomi-san.

Mami:...

Hitomi: Oh, well now we have all the members of the rainbow hair squad assembled!

Sayaka: Yeah! Oh...Hi there!

Hitomi: Oh, let me introduce Tomoe Mami. She's our senpai, and my friend.

Madoka: Nice to meet you! I'm Kaname Madoka, and this is Miki Sayaka.

Mami:...It's a pleasure.

Sayaka:...

Madoka: Oh...Please don't mind my shoulders. I guess it's hard to keep my uniform tidy.

Kyubey: \* She can see me, Madoka. She is a fellow magical girl that we can trust. Just play along with the introductions and let's meet with her later in private \*

Mami: It's a pleasure to meet you both.

Hitomi: Our senpai will be joining us for lunch today! Now she is an honorary member of the rainbow hair squad!

Sayaka: Yes captain!

Madoka: \* giggles \*

Mami: I have a good feeling about all of us. Maybe someday we can be a team.

Hitomi: We *are* a team. Stick with us whenever you're bored, okay?

Sayaka: And whenever you are not bored, stick with us anyway!

Madoka: Yeah!
